

INTENSIVE SWEDISH

From beginners SFI to SVA 3 in less than a year!

If the purpose of your studies is to become qualified for university, or to be completed quickly, JENSEN education is right for you. We have high expectation of you, and offer intensive courses as well as using methods similar to those used at university level. We will also help develop your study techniques - all as a part of our pedagogic concept 'Training for the reality awaiting'.

- High tempo with digital resources.
- Flexible solutions to study arrangements.
- We will prepare you for university studies or work life.
- Study during the day / the evening or with distance learning.
- Beyond course work you will have access to extra "read and write" assignments.

Example of study arrangements when applying 100% of your focus:

	<i>Intro; mapping</i>	<i>SFI C</i>	<i>SFI D</i>	<i>SVA gr 4</i>	<i>SVA 1</i>	<i>SVA 2</i>	<i>SVA 3</i>
<i>No of weeks</i>	5	5-10	5-10	10	5	5	5

*(Please note that this schedule demands 15-20 course hours as well as 10-20h individual study time per week).
You are alternatively able to spread out your studies for a longer number of weeks, at your pace.*

INTENSIVE SWEDISH

Classroom

Schedule for you who study full time/day time

- The times will vary during the courses.
- Up to 7 training sessions per week and these take place in the mornings and /or afternoons.
- In addition to the training sessions, you need to study on your own.

Schedule for you who study part-time/evening

- The times will vary during the courses.
- 3-5 training sessions per week, preferably in the evenings. Some sessions will take place at other times.

Distance

You can either study part-time or full-time. Learning takes place through self-study and practicing the language on your own is very important. You will receive support and help from your teacher. A prerequisite is access to your own computer and the ability to handle digital tools.

You should also have the opportunity to practice Swedish on a daily basis in order to be able to pass the distance course in a good way.

Regardless of whether you choose classroom or distance, you will be offered extra passes within:

- Labor market /study guidance
- Read / Write
- Pronunciation and vocabulary
